We're confident we have the nicest harbor and beach on the lake. It is also protected for ease of entering and exiting the lake. We have close to 1,400 feet of sandy beach. There is also ample parking on site so you don't have to worry about your vehicle while out on the lake.

## MILES OF ATV TRAILS

We are an ATV friendly resort so you are welcome to bring them with you. There are hundreds of miles of state forest roads and trails to explore. Most of the trails are not marked but we can give you the directions if you are looking for a great off-road adventure.
